

Why eCaptions is Different

eCaptions is about the best service available.

Our CART providers are without question the best in the industry; bringing enthusiasm, passion, excellence, reliability and accountability to each and every task.

Our office staff are extremely responsive to shifting schedules and changing priorities.

The services provided by eCaptions are available anywhere the internet can reach.

We can provide CART captioning in English, Spanish and Italian.

We utilize both stenographers and voice writers as we seek to be at the forefront of technological innovation in our industry.

We build trust through open, honest, and respectful communication.

We value the relationships we build with our clients and look forward to working with you.

- ◇ CART captioning by eCaptions allows clients to understand and participate with confidence.
- ◇ At eCaptions, we know that your success is our success.
- ◇ eCaptions will take the pressure off of you, allowing you to focus on your job.

For all your **CART** & **captioning** needs

Providing speech-to-text services to enable equal access to those who are deaf or hard of hearing.

Our Promise: Unparalleled Service

Service is everything to us and it should be everything to you, too! Our clients are not just another number; they are people with specific needs and goals. We promise to be fast, flexible and responsive to meet the needs of your constantly changing world.

Speech-to-Text Services Wherever They Are Needed

eCaptions provides the highest quality speech-to-text services possible; we are capable of delivering Remote CART and Captioning services to clients throughout the world.

We use only the best CART captioning providers who are located throughout the country.

eCaptions has no geographical limitations or boundaries. If it can be heard, it can be accurately transcribed.

Who is eCaptions?

eCaptions is a San Diego based CART captioning provider. Founded in 1997, we have a long history of providing excellent service to numerous educational institutions as well as major corporations and government entities. While headquartered in Southern California, our firm has the capability to service clients throughout the United States and even the world.

Our primary goal is to have an immediate positive impact on the lives of the clients we serve. We accomplish this by never wavering from our values, providing impeccable service and promoting productivity through equal communication access.

Our business is built on consistent, high quality services, flexibility and rapid response times.

Why choose eCaptions?

eCaptions makes a difference on a daily basis in the lives of those who have hearing loss.

eCaptions strives to provide flexible, friendly, top-quality service in everything we do.

eCaptions uses only the most professional, ethical, skilled writers, who achieve 98% accuracy and utilize the latest technology.

eCaptions is committed to meet the needs of the consumer, in all manner of subjects or topics (from history to business to nuclear science and medicine).

You Tube READY

eCaptions is qualified as a YouTube Ready vendor.

At eCaptions, we strive to provide innovative and practical services, saving you time and money.
